5 treatment and restoration of competency as follows:

6 \_\_\_\_ Inpatient Treatment: The defendant is committed to Western State Hospital  
7 (WSH) for a period of \_\_\_\_ days from the date of admission, consisting of time not previously

16 maximizes available treatment time, while allowing a reasonable time to complete the  
17 evaluation. If the defendant is not a resident at WSH, WSH staff shall designate the place and

19 and place of the evaluation.

20 IT IS FURTHER ORDERED that WSH staff furnish a report of the results of the

22 event less than 24 hours preceding the transfer of the defendant back to jail. The report shall set  
23 forth the findings of the staff including the defendant's mental condition, whether he/she is

1 competent to stand trial and to enter a plea to the charge(s). If the report concludes that the  
2 defendant is incompetent to proceed, the report shall also indicate whether the staff is of the  
3 opinion that the defendant is likely to become competent with further treatment as permitted by  
4 RCW 10.77.084(1)(c), and if so, whether the defendant is suitable for competency restoration  
5 treatment on an outpatient basis.

6 Copies of the report shall be provided to the court, the attorneys for the parties, the King  
7 County Department of Adult Detention (Psychiatric Services Administrator), and the County
